### Value Added Services

**Laser Vision Correction:** EyeMed and LCA-Vision have arranged to provide this program to all EyeMed members through one of the largest laser networks available, the U.S. Laser Network. Members are entitled to 15% off the retail price or 5% off the promotional price of LASIK or PRK procedures, whichever is the greater discount from a provider in the US Laser network. Simply call 1-877-5LASER6 to begin the process.

**Replacement Contact Lenses by Mail:** EyeMed members may order replacement contact lenses at competitive prices via the Internet and have them mailed directly to your home. Simply visit [www.eyemedvisioncare.com](http://www.eyemedvisioncare.com) for more information and a link to the ordering site. This service is for replacement contact lenses only, and your EyeMed discount does not apply. Your initial pair of contact lenses must still be purchased from your eye care provider to ensure proper fit and follow-up care.

**This is not insurance.**
